Sir:

In response to the Notice of Allowability dated September 5, 2006 kindly enter
Applicant's Comments on the Substance of the Interview without prejudice as follows:

Comments on the Substance of the Interview

An interview was conducted between Examiner Donald Champagne and a representative (Daniel Wasil, Reg. No. 45,303) of Applicant. The interview was conducted by e-mail over a time period concluding on August 25, 2006. As noted in the e-mails, Applicant's representative agreed to have the petition dated June 23, 2004 withdrawn along with allowance of all claims, whereas the Office agreed to withdraw the Office Action dated June 9, 2004[6]. A copy of the e-mail records can be found in the Notice of Allowability dated September 5, 2006.

The courtesy of the Examiner is greatly appreciated. The Examiner should be commended for his extraordinary dedication (and extra time) to advancing prosecution by resolving all outstanding issues.

Applicant reserves all rights to file another application (e.g., divisional application) with regard to any claim, whether pending or canceled.

Respectfully submitted,

Ralph E. Jocke Reg. No. 31,029
